European Coach Federation

CERTIFICATE

№ LC00128

European Coach Federation is the leading organisation of coach certification and specialized coaching standards in Europe.

We recognise and support the basic international principles (branches) of coaching.

Our strict standards of coach certification require that a person who is trained in coaching should complete all mandatory training under programmes of coaching schools that are certified by ECF.

Our key requirements are: personal qualities (basis) that conform to the qualification (title) of a professional coach within the specialization, mastering professional coaching skills in co-operation with the partners and achievement of the planned results according to ECF standard of 3D COACHING.

ECF hereby certifies that

Andrii Donets

showed competence and skills in using the 3D coaching expertise and methods approved by ECF.

Certificate of 3D coaching skills and proficiency in CSC degree confirmation.

Category. Life Coaching.

Specialization. Coaching in addiction recovery matters.

In witness whereof the following persons affixed their signature and the seal of the European Coach Federation to this certificate

On the 16th day of April 2026

Latvia, Riga

Yury Galata, President of ECF, mentor coach
